of the

Sweet Briar Alumnae
Association

1929

NOTICE

IN accordance with the policy followed by the Association for the last three years, of attempting to keep in close touch with every former student of Sweet Briar, all Alumnae publications issued during this academic year are being sent to every alumna regardless of the degree of her activity or interest. The annual Register of all Sweet Briar Alumnae, however, costs the association more than twenty-five cents per copy, in addition to postage, thereby constituting one of the greatest expenses with which we are faced. In the present none too adequate condition of Alumnae finances we do not feel justified in continuing this expense except for the benefit of those who give the Association their support, and it seems necessary, therefore, *to announce that next year the annual Register will be sent only to those who are life members or who have paid their dues within the past three years.* If you are uncertain as to your status in the matter look yourself up in the Register. All life members are indicated by the letter L, and all those who have paid their dues this year up to the time the Register went to press, are indicated by the letter D.

As a large part of the income of the Alumnae Association and the efforts of the Alumnae Secretary in recent years have been directed toward the attempt to find and establish contact with all lost and wandering alumnae and to keep all Sweet Briar girls, wherever they may be, in touch with the college, we should feel that much of that money and effort had been wasted if any large proportion of Alumnae should again slip into the lost and inactive lists through indifference and the failure to send two dollars once a year to the Alumnae Office at Sweet Briar. So that you may receive the Alumnae publications we urge you to please pay your dues. It is a simple and very effective way of supporting the Alumnae Association and maintaining contact with Sweet Briar.
